Samuel Lo practices in all areas of intellectual property, with an emphasis on patent litigation and licensing. Mr. Lo first joined Amster, Rothstein & Ebenstein LLP as a Summer Associate in 2007 and returned to the firm as an Associate in 2008. While at the firm, he has worked on a diverse range of intellectual property matters.

Mr. Lo has a strong background in electrical engineering. Prior to attending law school, he worked for six years as a hardware design test and diagnostics engineer at the R&D center for UTStarcom, Inc. He received a M.S. in Electrical Engineering with a specialization in Computer Engineering from The State University of New Jersey at Rutgers in 2005. He received a B.E. in Electrical Engineering from The Cooper Union in 1999.
