

In The Press: K-C Diaper Patent Injunction Challenged In Fed. Circ.

- *IP Law360*, February 11, 2011

Law360, New York (February 11, 2011) -- First Quality Baby Products LLC tried to convince the Federal Circuit on Friday that a preliminary injunction on one of its diaper products stemming from a patent infringement case brought by Kimberly-Clark Worldwide Inc. was unwarranted.

First Quality attorney [Kenneth George](#) told the three-judge panel that the record can't support an injunction based on U.S. Patent Number 6,888,143 in particular, and that the U.S. Patent and...
